"CRISPR-mediated DNA and RNA degradation in the hyperthermophilic Archaeon Sulfolobus solfataricus"

24 June 2016, 1:15 p.m.

Location: Lecture Hall 4, UZA II,
Althanstrasse 14, 1090 Vienna

Supervisor: Christa Schleper, Department of Ecogenomics and Systems Biology, University of Vienna, Austria

Opponents:

Rotem Sorek, Department of Molecular Genetics, Weizmann Institute of Science, Israel

Qunxin She, Danish Archaea Centre, University of Copenhagen, Denmark

Matthias Horn, Department of Microbiology and Ecosystem Science, University of Vienna, Austria

Monika Bright, Department of Limnology and Biological Oceanography, University of Vienna, Austria
